KEEP THIS INFORMATION FOR YOUR RECORDS

The Missouri State RV Rally hosted by the Missouri Good Sam Club is a fun-filled event, where attendees come together for lots of activities, games and competitions, educational seminars, entertainment, socializing, and especially dealer and vendor displays. The rally attendees look forward to seeing many of you return with familiar offerings and they always want to see (and buy) new products and services.

Sales: All sales will be for products and services listed on your registration and approved by the Missouri Good Sam Club Vendor Coordinator. Any legal, in-good-taste product or service will be approved. The Missouri Good Sam Club does not restrict the number of vendors selling related products. Please clearly show the full price of all products and services, including all taxes, special handling, prep, or shipping charges that will be added to the price of an item when quoting a price to rally attendees. Vendors not following ethical and legal sales procedures or exhibiting dishonesty in any manner will be asked to vacate the premises immediately, with no refunds of fees.

Seminars: If you would like to present a seminar please indicate the date and time (morning or afternoon) on your registration form, we will try to accommodate your request. Provide the title and a brief description of the seminar, so it can be included in the RV Rally Program. The date, time and location will be assigned by the State Director and Vendor Coordinator.

Indoor Vendor Space: Booths are located on the ground floor of the exhibition center. Each booth is a 10' X 10' area, approximately 100 square feet, upon request one table (8' X 2 ½') and two folding chairs are available at no additional charge.

Outdoor Vendor / RV Dealer: Display areas are conveniently located adjacent to the exhibition center. Outdoor display areas are 20' X 20', approximately 400 square feet. RV dealer displays can accommodate any number of RVs you would like to display. All display areas are conveniently located to ensure maximum attendee traffic flow to the area. Electricity is limited and may not be available at some locations.

Check-in / Setup / Hours: Booth set-up begins 1:00 PM, Tuesday, September 24, 2019. All vendors must check-in with the Vendor Coordinator for registration and booth assignment. Please bring all display materials, racking and banner holders with you. We have limited wall space and there will be no pipe and drape in between vendor booths. Suggested business hours are Wednesday - Friday from 8:00 am to 4:00 pm and Saturday 8:00 am to 3:00 pm. All vendor equipment and materials must be removed from the building by 5:00 pm on Saturday.
